Maria J. Mariñoso is in charge of the department of European projects in FASE.net since 2001. FASE.net is a training and consulting company that works in close collaboration with the regional government, trade unions and the University as a training provider. FASE.net has pioneered in e-learning and founding member of the Spanish Association of e-learning providers in 2002. The department of international projects has contributed for 12 years to the improvement of the quality in training, the implementation of new measures to fight unemployment and specially interested in research projects in innovation and application of the ICT to learning.

Maria J. Mariñoso was graduated by the university of Zaragoza in Philosophy and Arts and later in Pedagogic Aptitudes. Was awarded a master by the Organization of Latin American States as University Expert in Cooperation for Development Projects and has obtained diplomas by participating in different courses in ICT, Professional Skills or Management.

Since 2001 she has participated in European Education projects as a full time job in the development, creation, coordination and management of projects in different frameworks.
