Michelle Tooher is an Educational Developer in the Centre for Excellence in Learning and Teaching at the National University of Ireland, Galway. Prior to this role Michelle was a Learning Technologist with specific responsibilities for the Languages Departments in NUI Galway. In this role Michelle regularly supported academics with the integration of technologies in to the classroom.

Her educational background is in Computational Linguistics and subsequently Speech Technology.

Together with her colleagues Berit Carmesin and Doris Devilly, she obtained funding of the Irish National Academy for Integration of Research, Teaching and Learning (NAIRTL) in 2008 for the work on their project WikiLingua.ie.
