Halina Wisniewska works at Kozminski University, a top private business school in Poland, and Warsaw Medical University where she teaches ESP to undergraduate and graduate students.

She is also a trainer in post-graduate projects, including the ones funded by EFES, addressed to English language teachers who wish to improve their qualifications in the field of EFB and to doctors and other medical staff upgrading their language skills in the field of EFM.

Having worked with adult learners for more than 30 years she has had a chance to use various teaching methods and techniques and make her own practical observations.

Her doctoral research was connected with designing ESP teaching materials. She is a co-author of some EFB textbooks and an e-learning course.

Recently she has undertaken research on cultural aspects in professional communication in EFL.
