Malik Abid Mahmood is the president of Peace Educational And Clean Environment Society (Regd.) Taxila (Pakistan).

Malik Abid Mahmood is graduated in Sociology – Social Welfare from the University of Punjab in 2003. He joined Ideal Education Social Welfare Society Taxila (Pakistan) as Senior Vice President. He worked with devotion in this society and awarded many certificates. He also participated in different training workshop at national level. To keep in view his best services, this society supported him to attend the international conferences, training workshops and congresses. In this connection, he has travelled many countries like South Africa, Japan, Portugal, Netherlands, Germany, China, Thailand and South Korea.

At the beginning of 2009, he established a new society 'Peace Educational And Clean Environment Society ®' and also established 1 Secondary School and 2 Elementary Schools for the promotion of Education in rural and slum areas especially for girls on self help. In short periods these institutions are enrolled 500 girls students and 300 boys students. For the vocational training, he established 02 computer centre and one vocational centre.

He has delivered many lectures and meetings to raise the awareness about environment in focused communities of rural and slum areas. For this purpose he has also established an environmental centre.
