Noelia Jiménez Martínez-Losa currently works as a Translation Manager in educaLine, an e-learning company and digital content provider.

Noelia Jiménez Martínez-Losa graduated in English Studies at the University of La Rioja (Spain) in 2003. Afterwards she worked as a Research Fellow at the Department of Modern Languages of the University of La Rioja, where she wrote her M.A. dissertation, entitled A Cognitive Linguistics Approach to the Conceptualization of Motion in English: New Perspectives.

In February 2008 she joined educaLine, and she has been involved in translation and localization projects in a great variety of projects, contents, languages and subjects.
