Ángela Larrea has taught at the University of Cordoba since 2003, combining this activity with his job at the University Language Centre primarily devoted to the teaching of Business English.

He obtained his degree in English Studies in 1996 and moved to USA to work as a teacher at Blaine Elementary School (Chicago, IL), as a part of the bilingual program of the Chicago Public Schools system.

After two years she started postgraduate courses to obtain her PhD in English Studies, achieving this academic degree in 2008.

His research interests are Language Learning, English for Specific Purposes and Intercultural Business Communication.
