DURATION	1 st October 2005 – 30 th September 2007
PROJECT OBJECTIVES	The main objective of the LeTS project is to update the language teachers giving them the essential skills for offering quality language training, which is characterised by a high degree of flexibility and personalisation and that is delivered through the efficient application of ICT.
BENEFICIARIES	Language teachers
PROJECT LANGUAGE	English

PROJECT ACTIVITIES

RESEARCH OF ELEARNING PRODUCTS AND PRACTICES	Research, collection and analysis of e-learning <i>products</i> and existing <i>practices</i> in the language learning sector, in a professional context. The aim is to evaluate and identify the development methodologies and the strengths and weaknesses and to make the results of this research and evaluation available to all.
DEVELOPMENT OF THREE TRAINING PACKAGE	Development of 3 distance training packages on the theme of the evaluation, use and creation of e-learning material for the teaching of languages in a professional context.
DEVELOPMENT OF INTEGRATIVE MATERIAL	Development of material to integrate the training packages developed in Phase 3, aimed at giving the teachers simple technical tools which will enable them to put their new skills in to practice straight away.
